Videography Packages

Proreel is a small Melbourne company dedicated to crafting wedding videos tailored to reflect what is most important to you. Be it elegance, humour or a contemporary reflection of your wedding day, *whatever your budget*.

Our camera crew are dedicated film makers trained to pay the special attention needed to capture the most subtle and vivid emotions of your day. All filmed unobtrusively to make you feel comfortable, no matter how camera shy you might be.

Our productions are crafted by Proreel's *Stylised Edit Plus*, in which we craft the footage into a movie like production bringing life to the emotions and events of your day through creative editing, visual effects and music of your choice.

With Proreel you can be assured of a wedding video you will take great pleasure in viewing and presenting to your family and friends.

All our packages include;

- Consultation with you prior to and after your wedding day.
- A viewing of the final production giving you the opportunity to make changes if need be. This ensures your complete satisfaction with the work.
- Wireless microphone during ceremony.
- Proreel's Stylised Edit Plus – Your footage is reworked into a creative movie like production, with captivating visual effects, clever editing and music of your choice.
